Nissan Forklift

Nissan Forklift Training Guelph - Nissan prides itself on achieving complete client satisfaction when their buyer is enjoying one of their many trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to delivering high value and meticulous quality standards to their clients. Incorporating a prosperous heritage combined with solid production principals, Nissan lift trucks provide some of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European production warehouse in Sweden to sustain their worldwide lift truck demands. Committed to providing customer support, the company has four independent production facilities that allow them to continually adapt to their clients continually evolving wishes by providing an assortment of progressive ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a staff of 350 personnel, they are committed to the design, fashioning, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental accountability by using techniques and procedures that lessen their environmental footprint. These high standards remind consumers that Nissan operates under the quality seal that their clients insist upon whilst being an environmentally aware organization.

Nissan is quite confident that any of their clients queries and customer considerations directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned dealers or even visiting their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their hospitality and dedication.
